CONTACT

In neighborhoods, we convene **Circles of Return** that get to the heart of what we carry so we don't have to shoulder it alone. At the **Rite of Return**, we answer the soul's call for deep healing in the wilderness, separated from society, in order to cross the line to who we are truly called to be once we've hung up the uniform. Our veteran-led rites of passage has proven to drastically reduce the symptoms of PTS, compassion fatigue, moral injury, and suicidal thoughts by embracing all aspects of our human nature, identity, and experience.

**These Rites saved our lives, now
claim yours.**
